

CITY COUNCIL PROCEEDINGS

November 18, 2009

The City Council of the City of David City, Nebraska, met in open public session in the meeting room of the City Office, 557 N 4th Street, David City, Nebraska. The Public had been advised of the meeting by publication of notice in The Banner Press on November 12th, and an affidavit of the publisher is on file in the office of the City Clerk. The Mayor and members of the City Council acknowledged advance notice of the meeting by signing the Agenda which is a part of these minutes. The advance notice to the Public, Mayor, and Council members conveyed the availability of the agenda, which was kept continuously current in the office of the City Clerk and was available for public inspection during regular office hours. No new items were added to the agenda during the twenty-four hours immediately prior to the opening of the Council meeting.

Present for the meeting were: Mayor Dana Trowbridge, Council members Gary Kroesing, Nick Hein, Mike Rogers, Bill Scribner, and Bill Yindrick, City Administrator Joe Johnson, City Attorney Jim Egr, and City Clerk-Treasurer Joan Kovar. Council member Gary Smith was absent.

The meeting opened with the Pledge of Allegiance.

Mayor Trowbridge informed the public of the "Open Meetings Act" posted on the east wall of the meeting room and Resolution No. 2-2008 establishing rules and procedures for public participation at city council meetings.

The minutes of the October 14, 2009 meeting of the Mayor and City Council were approved upon a motion by Council member Kroesing and seconded by Council member Yindrick. Council member Scribner noted a correction on the Government Subcommittee Meeting minutes. Voting AYE: Council members Scribner, Hein, Rogers, Kroesing, and Yindrick. Voting NAY: None. Council member Smith was absent. The motion carried.

Mayor Trowbridge asked for Petitions, Communications, and Citizens' Concerns. Mayor Trowbridge stated that he had a couple calls from citizens who wanted to discuss personnel issues during Citizens' Concerns; however, legal counsel had advised him that that is an inappropriate action. City Attorney Egr affirmed that.

Steve Gaston stated: "There are many issues that need to be addressed; however, the main one is the operation of this city council and possible termination and non reappointment of department heads. The citizens of this community may not realize, but they will shortly, is that we do have an alternative to this city council and the city administration. The citizens of this community can, and are going to start passing their own city ordinances. Don't laugh it is quite legal Mr. Mayor. You see this petition; It is very simply called "city initiative and referendum petition", 20% of the registered voters file this petition; their signatures are on this petition. We can initiate our own city ordinances. 20% of the signatures must be presented to the city council. The City Council does not vote those ordinances in, or referendums, it will go to vote automatically; if you don't believe me check with the Secretary of State, I spent several hours with him. The citizens of this community; I am going to submit several city ordinances actually to them for their approval on petition. One would be to eliminate the authority of the Mayor that basically residing over the city council meetings and the tie breaker. There will be no decision on your part any longer as to who is going to be employed with the City. The second one I am going to propose is the dissolving of the City Administrator's position. I hope this is funny. It will work out. Oh, by the way, 20% of the signatures that are going to be required come to a little

over 400. Does that number mean anything to you? We will suggest that we combine the duties of the City Administrator and the City Clerk's office for a salary of \$70,000 if Mrs. Kovar is willing to do so at a later date. This will save the city approximately \$50,000 a year on salaries on the city administrator. We will also pass a resolution or a city ordinance for our own police department; we will not leave this decision up to you. The building that is proposed for our police department at this point in time; the break room is larger than the proposed office of the City Police Chief. The overall area for the entire police department to operate in is less than that of the city council chambers. This is not adequate. You have potentially tried to dissolve our police department and it will no longer happen. The citizens of this community are about to take this into their own hands. If you think this is a joke. Us hillbillies and monkeys are about to respond, we're not taking it anymore; it's just not going to happen. So gentlemen I am going to urge you tonight that your actions, what you do tonight may most definitely not affect the future of this community however they will affect your future within this community. So pay attention and I heed you to listen to the people of this community and start paying attention to their concerns as these are the people that will remove you from office or that can completely restrict your authority."

Mayor Trowbridge stated: "Mr. Gaston if you are going to stand up there and threaten us it's time for you to sit down and be quiet. Thank you."

Jim Redler stated: "As far as speaking about anything as far as employees for the City; we as citizens pay the taxes to pay the wages of the employee and we observe how they work. I don't think you can keep us from making comments for or against the employee, so therefore, I have some opinions about some of the actions that are going on and I want to express them, and so therefore, unless Mr. Egr wants to stop me I am going to go a little bit farther."

City Attorney Egr stated: "I am going to suggest Mr. Redler that you are in error about wanting to discuss personnel matters as those areas of citizens concern, because, first of all there is nothing before this council on anybody's personnel matters that would be a public nature. The Open Meetings Act specifically provides that personnel matters be taken up in closed session in order to avoid harm to reputation and character unless an action is taken by the council, mayor, or city administrator that would then justify that particular employee to request an appeal hearing according to the handbook and the Open Meetings Act; that is provided in there. I think you are premature on reacting until something does come before this body to act on. I know you have requested personnel records and I would point out to you and I have a copy here, so that this way it cannot be said that I am lying, that there is a specific Statute 84-712.05 that says "the following records, may be withheld from the public by the lawful custodian of the records: (7) personal information in records regarding personnel of public bodies other than salaries and routine directory information. You can't be asking for that kind of records; you are too early in making these kinds of comments."

Jim Redler stated that he was not going to ask about personnel records; he just wanted to make some comments concerning the suspension of Park/Auditorium Supervisor Bill Buntgen. Jim Redler stated: "It is public knowledge. You cannot keep my mouth shut. I am just going to make comments about his performance. He is an employee, the citizens pay the taxes that pay his wages and I've had a lot of people talk to me and they are not complaining about his performance; in fact it is all positive. As far as I know, anything he has done down there has been for the good of the City including trying to get tax money for the lakes, football field, auditorium, swimming pool, expanding the baseball and soccer, and even including the senior citizens in the community under that program, and so my question is he's done this for a

long time, it's been over a year that this information has been out that he's been trying to promote, so why now? It makes me wonder what the real answer is.

Dr. Jack Kaufmann stated: "A friend of mine was wounded a week ago today, Bill Buntgen, he's hurting and I'm hurting. I've known him for years, he has been a good worker for the City, he is an honorable man and I hate to see him hurt as he was hurt. I would hope his position will be restored and maintained. I hope Bill will keep his job and I hope he will be paid the weekly salary that was taken away from him. Jim Redler said part of Bill's salary is paid by the citizen's taxes; so is the salary of you folks at the front table. These people and I pay part of your salary so I ask you to listen. My question for Joe is "have you had one complaint about Bill Buntgen's performance?" You told me Monday, No, you hadn't. Since Monday morning have you had any complaints? He can't say.

Mayor Trowbridge stated: "Our legal counsel has advised us that we can't respond. That is why this is an unfair forum."

Mayor Trowbridge asked for consideration of claims. Council member Hein made a motion to authorize the payment of claims. Council member Rogers seconded the motion. Voting AYE: Council members Yindrick, Kroesing, Scribner, Rogers, and Hein. Voting NAY: None. Council member Smith was absent. The motion carried.

Mayor Trowbridge called for Committee and Officers' Reports in addition to those written reports contained in the Agenda packet. Mayor Trowbridge stated: "We have a special certificate of appreciation to award this evening. We have a gentleman who has been with the City for twenty-five years (25) years; has given reams of very good legal advice; has kept the city out of trouble through those twenty five years; has been a credit to the City of David City, is someone that we respect and someone that we look to for guidance; and for that I would like to thank you Mr. Egr, it has been a pleasure".

Bill Scribner made reference to the police department report that stated "Nine more arrest warrants for charges of drug dealing have been issued as a continuation of the RAP Drug Task Force's investigative efforts." Scribner contacted the Governors Office and begged them not to cut funds for that program. Scribner stated: "it has done wonders for this community and I thank Chief Sunday for his involvement in getting that off of our streets." There were no additional reports.

Council member Hein made a motion to advance to agenda item #16 - Award presentations of the Nebraska Community Improvement Program Founders Award presented to: The Butler County Development Board; Henningsen Foods Inc.; and Timberline Energy LLC. Council member Kroesing seconded the motion. Voting AYE: Council members Scribner, Yindrick, Rogers, Kroesing, and Hein. Voting NAY: None. Council member Smith was absent. The motion carried.

City Administrator Joe Johnson explained that the Nebraska Community Improvement Program has been going on for quite a while. It is a Governor's award that is awarded to communities for their accomplishments throughout the year. This year, the City of David City applied for the Founders Award that is the top award awarded by the Governor of this great state in the Nebraska Community Improvement Program. We were lucky enough and grateful enough to receive the Founders Award for the whole state of Nebraska for this year. We received the award for the Methane Project. Mayor Trowbridge stated that this was a collaborative project and presented plaques to Darrell Kahler representing Henningsen Foods;

Keith Marvin representing the Economic Development Board, and Ryan Nelson representing Timberline Energy.

Mayor Trowbridge stated: "Darrell Kahler was at the heart of this, sitting in his office one day when two strangers walked in and asked how much natural gas they used and he happened to know the answer and it was quite a bit, and that is what started this project. Darrell thank you for your contributions as an individual and also as a company."

Ryan Nelson representing Timberline Energy stated: "This award is really and truly an honor for Timberline Energy to receive and if it wasn't for the City of David City helping us to push this through we wouldn't have this award, and my hats are off to you guys you did an awesome job of pushing this through and also the Economic Development, they were in on it, and our partners Henningsen Foods and Butler County Landfill. Thank You."

Council member Kroesing introduced Ordinance No. 1118 amending Zoning Ordinance No. 1060, Article 2, Definitions, Section 2.02.171 DWELLING, SINGLE FAMILY, Letter E, by adding "and all accessory buildings over 80 square feet" and deleting "or a ribbed metal material approved by the zoning administrator". Council member Scribner made a motion to pass Ordinance No. 1118 on the first reading only. Council member Yindrick seconded the motion. A recall petition was filed and Mayor Trowbridge hired an attorney to protect his rights as Mayor. Mayor Trowbridge was billed \$10,232.78 from the Law Offices of Mattson, Ricketts, Davies, Stewart & Calkins, 134 South 13th Street, Suite 1200, Lincoln, Nebraska 68508-1901. .

Mayor Trowbridge stated: "I understand fully that the City cannot pay this claim. I submitted it for a point of emphasis, and the point of emphasis is, you will have more Mayors down the road after me and you will have more city council people after the ones that are around this table, and the message needs to be sent to those that are considering doing this that you are at risk for sizeable amounts of money that the City will not stand behind you because the State has not allowed it. We are not going to have conversations on it because we are not going to pay it; but foolishness like that can cost in excess of \$10,000.00.

City Administrator Joe Johnson reported that on November 13, 2009, the building committee, concerning the construction of a City Municipal Building, consisting of Council members Gary Smith and Bill Yindrick, Police Chief Stephen Sunday, City Clerk Joan Kovar, City Administrator Joe Johnson, Tony Novak, and Don Naiberk convened to discuss submitted proposals from qualified architects/engineering firms for design services and construction documents. The Building Committee completed a scoring document for Gilmore & Associates Inc., Olsson Associates, Prochaska & Associates, and The Schemmer Associates, and found that Schemmer Associates scored the most points. It was the recommendation from the building committee that the City Council approve and appoint Schemmer Associates for the construction of a new municipal building.

Council member Scribner made a motion to approve and appoint Schemmer Associates for the design of a new municipal building and to allow the Mayor and City Administrator to begin the negotiation process with Schemmer Associates for a detailed contract price. Council member Yindrick seconded the motion. Voting AYE: Council members Kroesing, Hein, Rogers, Yindrick, and Scribner. Voting NAY: None. Council member Smith was absent. The motion carried.

Mayor Trowbridge stated that the city sales tax sunsets in October 2010. It has done a number of good things for the community. This community has a lot of needs that will only be met by the continuation of a city sales tax. We have infrastructure that have been in the ground 90 plus years or longer. Mayor Trowbridge stated: "I think when we have a Fire Chief who discusses what might happen if they would hook all of the pumping power that they have to the hydrants downtown in case of a large downtown fire, he'd more than likely would completely collapse that system and start bringing water from the park lake in buckets. So this is something we really need to take a look at; it isn't something that bothers you on a daily basis but it is something that needs to be done. So, we are going to entertain and put together thoughts as to where we go with this potential sales tax extension. I am going to ask for letters of interest, or notes, from people interested in serving on a committee to define the future of that project because that will have to be voted for in the May primary. So we need to get moving on that rather quickly. So in the next couple weeks or so, if you have an interest on serving on that

committee would you please jot it down; tell us what your interest is, give us some background on why you think you would make a good, positive, committee member, and we'll put together a committee and we'll get moving." The letters of interest are to be turned in at the City Office to City Administrator Johnson or City Clerk Kovar.

The Subcommittee meetings were scheduled as follows, due to the holidays:
Governmental Subcommittee meeting at 5:30 p.m. at City Hall on Tuesday, December 1 and the Utility Subcommittee meeting at 5:30 p.m. at City Hall on Wednesday, December 2.
