3. David City Release. David City, on its behalf, and on behalf of its officers, officials, staff, representatives, agents, successors, and assigns, hereby releases JEO and Velocity, and their insureds, members, shareholders, managers, representatives, attorneys, agents, successors, and assigns, from any and all claims, defenses, rights, causes of action, damages, losses, debts, costs, expenses, demands, grievances, controversies, suits, actions, and liabilities of any kind or nature, whether in law, in equity, or otherwise, and whether known, unknown, foreseen or unforeseen, as specifically limited to such claims arising out of the Incident and the Property.

Re: David City, NE
CDBG #22-DTR-004
Request for Contract Amendment

Dear Ms. Doose:

At our meetings on February 12, 2025 and April 9, 2025 the City Council authorized me to request an amendment to our Downtown Revitalization Program Guidelines and an extension to our Subrecipient grant agreement for this project.

The amendment to our Program Guidelines will allow applicants to request up to \$80,000 in funds from the city's remaining CDBG award balance allocated to activities that fall under the Commercial Rehabilitation #14E code. This is a change from the current amount of \$50,000. The 25% match will still be provided by the business applicant, therefore a commitment of at least \$20,000 in matching funds will be required in order to receive the maximum award amount.

The award duration request will extend our performance period end date from May 6, 2025 to May 6, 2026, or by 12 months. City staff are working diligently with local business owners to drive participation, assist with the application process, see that the program can reach its goals in the next 12 months, and avoid any further extensions. This amendment will allow the city to continue to allow businesses time to finish their projects that were delayed due to limited supply of contractors and materials, and additional unexpected barriers.

The requests will allow for the City's successful implementation of our Downtown Revitalization project. With multiple applications in various stages of the application process, the extension will allow those businesses to participate in the program, which will move us further toward our beneficiary goal as well as obligating our full Community Development Block Grant award.

The proposed change to our guidelines will also make the program more appealing to applicants, helping to attain the same above stated goals. Beyond direct communication with current and potential applicants, the city will publish a notice to inform eligible business owners of the changes.

We respectfully request a budget amendment to the current Subrecipient agreement.

As the Mayor of David City, Nebraska, I certify the following:

1. This amendment request was approved at the meetings on February 12, 2025 and April 9, 2025.
2. No additional matching funds are required for the proposed amendment.
3. The proposed amendment does not include a new activity.

Thank you for your consideration of this request.

Respectfully,

Jessica Miller
Mayor
